INFORMATION DISCLOSURE STATEMENT

This document is being submitted in an effort to comply with the duty of disclosure defined in the Code of Federal Regulations, specifically 37 CFR §1.56. The duty of disclosure imposed by the Patent Office extends to inventors, the applicant's attorneys, and others associated with the filing and prosecution of the patent application. It requires that all information known to such individuals which is material to the patentability of this invention be disclosed to the Patent Office.

The information being submitted is listed on the attached form PTO-1449. The listing includes patentee, patent number, and issue date. Foreign documents are identified by country, document number, and publication date. Magazine articles and other documents are identified by author, title, page no., date and place of publication. The Examiner is requested to make these citations of official record in this application. Copies are enclosed unless otherwise noted. Available translations of any foreign documents are submitted in compliance with 37 CFR §1.98(c).

The submission of this material is not an admission that the information is in fact prior art properly assertible against the application. The applicant(s) specifically reserve the right to question or prove that this information is not properly asserted against one or more claims of this application or claims submitted in a derivative application.
